Ady has over 40 years involvement in both sports caching and administration. Ady is a Deputy Principal at Mount Maunganui College and has been a part of the management team for 28 years.

Ady has a range of experience on Boards, including Mount Maunganui Sports rugby Club, Tauranga Ski Club and more recently three years as President of Omanu surf Lifesaving Club and twelve years on the Board of Omanu School, nine of those years as Chair of the Board of Trustees.

Ady is presently a trustee of the Mount Maunganui Aquatics Trust.

Ady has been surfing for 45 years. He was part of the management team that took the first NZ Junior team to a groom contest in Bali back in 1989. He has a son who represented NZ in the Junior Team to Japan in 2017. Ady coaches/manages the Mount Maunganui College Surf Team and BOP Scholastic Team.

Ady believes that as Surfing NZ moves forwards it is vital that the organisation remains sustainable both financially and procedurally. That clearly communicated systems are in place to support both the athlete, coach/manager and staff.
